

Naples, Caravaggio and the painted Music

A journey in the footsteps of Caravaggio in Naples

Starting
from
Eur 480

3 days / 2 nights

An immersion in the Naples of the 17th century: the Spanish domination, degradation and poverty. At the same time the Naples of the Gold Season of painting, especially thanks to the presence, at the beginning of the century, of Caravaggio. On May 28th 1606, Michelangelo Merisi da Caravaggio killed in Rome, for trivial reasons, the young Ranuccio Tomassoni. Sentenced to death, at first, he fled to Zagarolo, Colonna's feud, and then he went to Naples where he was welcomed with all honors.
